Decor inclusions +
additional photos for all the inspo

Events are notoriously full of so much detail and planning. Although this is one of the most exciting parts of the process, it can also be a little overwhelming balancing all of the little things you wish were automatically taken care of. That's where we come in. Being a one stop shop/all inclusive event space allows our groups to have a choice in whether they'd like to mess with the extra details or have us handle it for them. That's why we provide all of our tables, linens, square back chairs, centerpiece options, table number options, and other misc inclusions at no additional cost. We also have add on options that are an extension of our included decor that you can add to your bill. Take a look at photos of our available options we provide in house + sample photos of the space set up from previous weddings/events. Although some of these photos have our old, round back chairs, please note we have upgraded to the new, square back version (round no longer available).

Bar

We provide one bar in each room that you can dress up with your own decor or let the bottles do the dressin up for ya. Each bar is white leather/tufted with a black top + a mirror behind it. Making the ambient lights in the background reflective and oh so dreamy.

Centerpieces

We include a full, beautiful, twinkly centerpiece for each of your guest tables by request (no additional fee). There is a 3 tiered cylinder vase combination that we put water in with floating candles, mercury glass votive candles, a round mirror as a base, and multiple table number options (our acrylic numbers are pictured here). We provide all of the tea light candles to go in the floating candle holders as well. Feel free to use our centerpieces by themselves, use our centerpieces and add to them with your own personal touch, or bring in your own arrangement and not use ours at all.

Ceremony

Grand street provides a sheer, white backdrop that hangs from the ceiling with twinkly lights behind it. You are more than welcome to dress it up a bit with flowers/greenery from an outside vendor or leave it as is for a more simplistic look.

Appetizer/Dessert/Cake Tables

Grand Street provides high top tables and 66" round tables for appetizers, desserts, or misc use. We also include our own trays, cake stands, a velvet cake linen, and votive candles to dress up these tables. These tables generally go under the chandelier on the west side or by the column on the East side.
